

## MAASAI MISSION KINGDOM EVENT BEGINS IN KENYA

There is something truly extraordinary taking place, and I seek to share it with those of a kindred spirit. At first look, the healing of hundreds of millions in the "Defeat of Malaria" might be deemed the quintessential, but it is more reaching than that. Even the opportunity to bring 500 million into the Kingdom of God is a preamble to one of the greatest moves of God in history.

Once in two millenniums, there is loosed into the earth a new light to reduce the darkness of this world. The creation of man's fellowship, the Abrahamic covenant, and the gift of grace through Jesus Christ mark this history. Now, marking the end of the sixth day, there is a new level of encounter with the Creator. No longer waiting for men, God has loosed a great GLORY of Kingdom Events. Consistent with Jesus' model pray, the Kingdom of heaven is breaking through into the earth as never before. Let us not be left behind.

Maasai Mission is experiencing a Kingdom event - an encounter with destiny to change all of Africa and more. The most primitive tribe on earth is ushering in the presence of God unlike anything in the last two millenniums. The divine plan was set in place 2,600 years ago, and now is the time for this Remnant of Israel to step into its destiny.

I have the honor of being a witness and messenger, extending to you this Kingdom invitation.

Blessings,
